## Time Table

The time table will be published as soon as available, on both the club website [www.pirouetteleuven.be](http://www.pirouetteleuven.be) and the federation website [www.skatebelgium.be](http://www.skatebelgium.be) . Please (re-)check for possible changes when approaching the day of the competition.

During the competition, minor modifications related to the time table can be done due to organizational circumstances.

## **Registration**

An info desk will be in place in the cafeteria of the ice rink.

Competitors entered in the category **Preminiemen** must register at the info desk upon arrival, **between 07:00 and 07:30 AM**.

All other competitors must register **one hour before the start of their category at the latest**.

Coaches must visibly wear a valid trainers license to enter the neutral zone.

## **Starting Order**

For each category, the starting order will be determined by draw. The draw will be done by computer prior to the competition.

## **Awarding Ceremony**

All participants must be present in their competition costumes for the announcement of the results and the prize awarding ceremony.

There will be a partial awarding ceremony for the categories Preminiemen and Miniemen.

The first three of each category will receive a tropee. All other participants will receive a medal.

In case of absence during the awarding ceremony, no trophees or medals will be provided.

## **Liability and Insurance**

In accordance with ISU rules the organizing committee accepts no liability for injuries or damages sustained by competitors.

In accordance with ISU rules the responsibility for health and accident insurance lies with the athletes, officials and all other members of the team. Such insurance must include full medical care and repatriation.

## Accommodations and Travel Expenses

Skaters, coaches and supporters may book travel arrangements and accommodations individually and at their own expense.

We recommend to include a **cancellation insurance** in case the number of entries exceeds the maximum capacity.
